Subject: Contra Costa County

Terry,

Contra Costa County Fire Protection District has carried small animal resuscitation devices for over 10 years and has had numerous successes with them. It is a devastating event when someone loses their home by fire. When that loss is coupled with the death of a beloved pet the effects of the event are even more overwhelming. On the occasions when we have been able to save their animal(s) it is a huge win for them on one of the worst days of their lives.

Ben Smith

Battalion Chief (1113)

EMS Division

Contra Costa County Fire Protection District
